At the November 27, 2012 hearing of the Michigan Liquor Control Commission  
(Commission) in Lansing, Michigan.

**LICENSING APPEAL ORDER**

On June 25, 2012, Gursidos, Inc. (licensee) filed a request to transfer all stock interest in the 2012 SDM license with permission for motor vehicle fuel pumps under MCL 436.1541(5), held at the above noted address, by dropping Gurmukh Dosanjh as a stockholder through the transfer of 1,000 shares of stock to new stockholder, Rajbir Singh (applicant).

At a meeting held on October 10, 2012, the Commission denied this request under administrative rule R 436.1105(2)(a) and (j) after considering the extensive violation record of Rajbir Singh as a current licensee of the Commission, and after considering the effects that issuance of a license would have on the health, welfare, and safety of the general public.

Jack Struwin, legal counsel on behalf of the applicant, submitted a timely request for an appeal in this matter, and represented the applicant at the November 27, 2012 hearing held at the Commission's Lansing office.

After hearing arguments, reviewing the MLCC file, and discussion of the issue on the record, the Commission finds that the applicant sufficiently demonstrated a course of

action has been taken to assist in preventing further violations of the Michigan Liquor Control Code and Administrative Rules.

Under Article IV, Section 40, of the Constitution of Michigan (1963), the Commission shall exercise complete control of the alcoholic beverage traffic within this state, including the retail sales thereof, subject to statutory limitations. Further, the Commission shall have the sole right, power, and duty to control the alcoholic beverage traffic and traffic in other alcoholic liquor within this state, including the manufacture, importation, possession, transportation and sale thereof under MCL 436.1201(2).

The applicant is authorized to do business in Michigan, as required under MCL 436.1535 for licensure. Under MCL 436.1537(1)(f), the licensee may sell beer and wine for consumption off the premises only.

The Commission finds sufficient reasons to reverse its denial issued in this matter and to approve the applicant's request for the reasons stated on the record.

THEREFORE, IT IS ORDERED that:

A. The denial order of October 10, 2012 issued in this matter is reversed and the applicant's request is APPROVED, subject to the following:

1. The licensee shall submit to the Commission an executed and acceptable Lease Agreement.
2. The licensee shall submit to the Commission a bill of sale that states the stock has been paid in full.
3. The licensee shall submit to the Commission form LCC-3010 "Report of Stockholders/Members/Partners".
4. The licensee shall maintain proof of financial responsibility providing security for liability as required under MCL 436.1803. Failure to maintain proof of financial responsibility providing security for liability will result in the immediate suspension of the subject license until the licensee provides the Commission with proof of financial responsibility as required under MCL 436.1803.

B. Under administrative rule R 436.1003, the licensee shall comply with all state

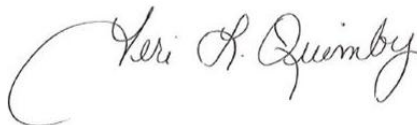

and local building, plumbing, zoning, sanitation, and health laws, rules, and ordinances as determined by the state and local law enforcements officials who have jurisdiction over the licensee. Approval of this license by the Michigan Liquor Control Commission does not waive any of these requirements. The licensee must obtain all other required state and local licenses, permits, and approvals before serving or selling alcoholic liquor.

C. Failure to comply with all requirements of licensure in the State of Michigan will result in the licensee being charged with a violation of the Michigan Liquor Control Code, MLCC Administrative Rules, and Commission order, which may result in fines, suspension, and/or revocation of the license.

(Commission) in Lansing, Michigan.

**LICENSING APPEAL ORDER**

On July 13, 2012, The Stray Dog Limited Partnership (licensee) filed a request for an extension of time beyond five (5) licensing years in which to renew the Class C and SDM licenses with Sunday Sales Permit (P.M.), Specific Purpose Permit (Food) and Outdoor Service (1 Area) under administrative rule R 436.1107, at the above-noted location.

On September 26, 2012, the Commission denied the licensee's request under administrative rule R 436.1107 because the licensee did not demonstrate good cause to grant an extension of time.

Attorney David Barbour, legal counsel on behalf of the licensee, submitted a timely request for an appeal in this matter and represented the licensee at the November 27, 2012 hearing held at the Commission's Lansing office.

After hearing arguments, reviewing the MLCC file, and discussion of the issue on the record, the Commission finds that the licensee demonstrated a plan to transfer the license to another location.

Under Article IV, Section 40, of the Constitution of Michigan (1963), the Commission shall exercise complete control of the alcoholic beverage traffic within this state, including the retail sales thereof, subject to statutory limitations. Further, the Commission shall have the sole right, power, and duty to control the alcoholic beverage traffic and traffic in other alcoholic liquor within this state, including the manufacture, importation, possession, transportation and sale thereof under MCL 436.1201(2).

The licensee is authorized to do business in Michigan, as required under MCL 436.1535 for licensure. Under MCL 436.1537(1)(b), the licensee may sell beer, wine, mixed spirit drink and spirits for consumption on the premises.

The licensee's request for an extension of time beyond five (5) licensing years under administrative rule R 436.1107 is granted for reasons stated on the record.

THEREFORE, IT IS ORDERED that:

A. The denial order of September 26, 2012 issued in this matter is reversed, and the licensee's request is APPROVED until June 30, 2013, subject to the following:

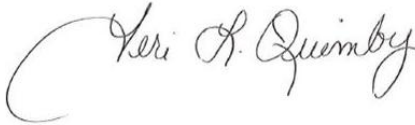

1. Failure of the licensee to execute and return the renewal form and pay the statutory license fees by April 30 each year shall result in the licenses and permits being terminated pursuant to the provisions of administrative rule R 436.1107, without further order of the Commission.
2. Under administrative rule R 436.1107(6), the licensee shall be responsible for providing the Commission with current contact information, in writing, for all correspondence, which includes the name, mailing address, and telephone number.

3. This order is the only notice that will be provided notifying of the expiration of the licenses on June 30, 2013 pursuant to the approval contained in this order.
4. The licensee shall not request a further extension of time unless the licensee is able to demonstrate a detailed plan for activation of the licenses.

**SHOW CAUSE HEARING ORDER**

On December 14, 2011, Levneff Properties L.L.C. (applicant) filed a request to transfer ownership of a 2011 Tavern license with Dance-Entertainment Permit, Outdoor Service (1 Area) and specific Purpose Permit (Golf) from Olivet Golf Club, L.L.C., at the above-noted location. The Commission approved the request on May 16, 2012, and the license and permits were issued to the applicant on July 16, 2012.

At a meeting held on October 24, 2012, the Commission ordered a Show Cause Hearing be scheduled under administrative rule R 436.1925(1) after determining that applicant member, Wesley Levering, failed to report his complete arrest and conviction record on his application forms and to the Commission's Enforcement Representative.

The Commission held the show cause hearing in this matter on November 27, 2012 at its Lansing office. Representing the licensee at the hearing was member, Wesley Levering.

After hearing arguments, reviewing the MLCC file, and discussion of the issue on the record, the Commission finds that the applicant sufficiently demonstrated good cause not to terminate the subject license and permits, and no further action should be taken to affect the status of the 2012 Tavern license and permits issued to the licensee at this time.

The Commission finds that the licensee demonstrated mitigating circumstances relative to his past arrest and conviction record, removing the previous questions concerning the applicant.

Under Article IV, Section 40, of the Constitution of Michigan (1963), the Commission shall exercise complete control of the alcoholic beverage traffic within this state, including the retail sales thereof, subject to statutory limitations. Further, the Commission shall have the sole right, power, and duty to control the alcoholic beverage traffic and traffic in other alcoholic liquor within this state, including the manufacture, importation, possession, transportation and sale thereof under MCL 436.1201(2).

The applicant is authorized to do business in Michigan, as required under MCL 436.1535 for licensure. Under MCL 436.1537(1)(a), the licensee may sell beer and wine for consumption on the premises only.

THEREFORE, IT IS ORDERED that:

- A. No further action will be taken to affect the status of the Tavern license and permits issued to the licensee at this time.
- B. Under administrative rule R 436.1003, the licensee shall comply with all state and local building, plumbing, zoning, sanitation, and health laws, rules, and ordinances as determined by the state and local law enforcements officials who have jurisdiction over the licensee. Approval of this license by the Michigan Liquor Control Commission does not waive any of these requirements. The licensee must obtain all other required state and local licenses, permits, and approvals before serving or selling alcoholic liquor.
- C. Failure to comply with all requirements of licensure in the State of Michigan will result in the licensee being charged with a violation of the Michigan

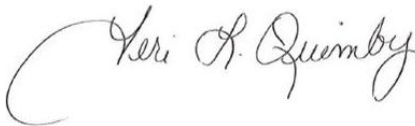

Liquor Control Code, MLCC Administrative Rules, and Commission order, which may result in fines, suspension, and/or revocation of the license and permits.
